Tacoma, WA 98421

Dear Mr. Cabodi:

RE: 2014 Hazardous Liquid Control Room Management - Inspection – McChord Pipeline Company –Tacoma WA

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Control Room Management inspection from March 18 to March 20, 2014 of McChord Pipeline Company (McChord), Tacoma WA. The inspection included a review of control room management procedures and processes.

No apparent violations were noted as a result of the inspection.

Staff would like to thank McChord's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Lex Vinsel at (360) 664-1319. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director

cc: Nicholas Peel, Chief Engineer, McChord Pipeline Company
