**RE: 2022 Hazardous Liquid Operator Qualification Inspection – McChord Pipeline  
(Insp. No. 8437)**

Dear Mr. Troske:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Hazardous Liquid Operator Qualification inspection of McChord Pipeline Company's (McChord) facilities on June 30, 2022. The inspection included a review of records and a field inspection of selected covered tasks.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks McChord's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Darren Tinnerstet at (360) 764 - 0779.

Sincerely,

Sean C. Mayo  
Pipeline Safety Director
